

SURYA PRAKASH VISHWAKARMA

 Surya Prakash Vishwakarma  +91 7084788329  spvishwakarma2005@gmail.com  AI-With-Surya

PROFESSIONAL SUMMARY

Enthusiastic and dedicated Computer Science student with a specialization in Artificial Intelligence and Machine Learning. Equipped with fundamental programming skills in C and Python, and a keen interest in data analysis and intelligent systems. Demonstrates strong problem-solving abilities and a commitment to continuous learning. Seeking opportunities to apply technical knowledge and contribute to innovative projects in the field of AI and data science.

EDUCATION

- **Dr. A. P. J. Abdul Kalam Technical University:** B.N. College Of Engineering And Technology, Lucknow [2023-2027]
- **Course:** Bachelor of Technology [2023-2027]
- **Branch:** Computer Science and Engineering (Artificial Intelligence and Machine Learning) [2023-2027]
- **XII U.P Board:** Madan Mohan Malviya Inter College in Bhatpar Rani, Deoria. [2022-2023]
- **X U.P Board:** Raghuraj Singh Intermediate College in Bhatpar Rani, Deoria. [2020-2021]

SKILL

- **Industry Knowledge:** Artificial Intelligence (Basic level), Machine Learning (Basic level), Logo Design, Editing, Graphic Design, Web Development, Deep Learning, Data-Driven Problem Solver.
- **Tools & Technologies:** Microsoft Power Point, Microsoft Word, Microsoft Excel, Canva, C (Programming Language), Python (Programming Language), CSS, HTML, Core concepts: DSA
- **Language:** English, Hindi.

PROJECT

- **AI-Powered Space Debris Management System:** Revolutionizing Space Sustainability [2023-2024]
With Artificial Intelligence.
- **Mini-Project With Python:** Student Result Analysis System- [2023-2024]
Developed a Python-based Student Result Analysis System using Pandas & Matplotlib, capable of generating performance reports and visual insights from CSV datasets.

ACHIEVEMENT

- Certified in Artificial Intelligence & Machine Learning from [Simplilearn/IBM/Google Cloud].
- Recognized for innovative ideas during participation in Ideathon 2025
- Founder of "Infinite Learn" YouTube channel, creating syllabus-based and technology-related educational content

CERTIFICATIONS

- **Simplilearn SkillUP:** Introduction to Artificial Intelligence
- **Simplilearn SkillUP:** Introduction to Machine learning
- **Simplilearn SkillUP:** Generative AI for Beginners
- **Simplilearn SkillUP:** Introduction to Responsible AI
- **Google Cloud:** Introduction to Image Generative
- **IBM & Cognitive Classes:** Python for Data Science
- **IBM & Cognitive Classes:** Data Analysis With Python
